

## **REMARKS**

On April 21, 2005, the U.S. Patent Office mailed a Notice of Allowability indicating that Claims 1-58 were allowable. No claims have been amended, added or cancelled. Accordingly, Applicants submit that Claims 1-58 are still in condition for allowance.

In the Notice of Allowability, the Examiner indicated that the drawings filed on March 5, 2002 were acceptable. However, Applicants are submitting replacement Figs. 1-8 (contained on Replacement Sheets 1-6) to improve the quality of the drawings.

Applicants note that a minor amendment has been made to Fig. 3. Specifically, Applicants have eliminated the two squiggled dashes on either side of reference numeral 35 and have underlined reference numeral 35.

No new matter has been added. Figs. 1-8 constitute all of the drawings of the application.

Applicants submit that the amendments require no substantial amount of additional work on the part of the U.S. Patent Office, as required by MPEP § 714.16. Accordingly, Applicants respectfully request that the amendments be entered.

Applicants believe that no fees are due. However, the Commissioner is hereby authorized to debit Deposit Account No. 50-2198 for any fee deficiencies associated with filing this paper.

Applicants believe that the application appears to be in form for allowance. Accordingly, reconsideration and allowance thereof is respectfully requested.

The Examiner is invited to contact the undersigned at the below-listed telephone number regarding any matters relating to the present application.

Respectfully submitted,
